Off for a Trip.

E. C. Tatum, the city drumner for Hogo Schmelter, left via the Samet for a short same trip to Housing and Galveston.

A well known business man, burning of a city, is reported to have forged a check Galveston for \$2000 and shippod. A uple of detectives have been in the city a couple of days looking for him.

a couple of days looking for him.
Where Aser Those Newler?
The Eighth Cavalry hand conner in Traces
to jeasterfuy was well attended and was the
gree of considerable pleasure as the city,
the same old growt was made as to the inficiency of seats for victure. These seats
we long been promised. Way this delay?

we long hern prumised. Why this delay Dolf. Nat. Ramw h. Was Landout. We the Shreiff of Georgetons was coming the city last night he pulled his cital to us it to a lady who was in the care. He night it was empty, but one cartridge section in the pittel soil by some means the tot exploded. The shot entered the Sheer's abdomen and he is not experied to live.

A Strange Charge.

A Strange Charge.

Yestenley David Hanner was arrested on the charge of having stolen Sao south of mines and funks from Ludwig Malnuke darling the recent banques to the Legion of Honor, and was placed under a \$700 hond to miver the charge. Mr. Hanner says he is innocent and threatens to use Mr. Mahneke for demonstra

r demages.

They Constribute.
John Foster was discovered with a pushel out his person, and was promptly relieved it, by a police editor, Walters standing or, of course, would have his abare of hunor, otherwise, as the case may be, and interest, and so somes did he do that he and himself arrested. The former was ned \$15, the latter \$10.

Status Sewing Machines.

Edeards Hernander, the Maxican to whom Vale, interprete to the disper Sywing Machines company, suit some sewing machines is in trees. He says that Vale sold him one at \$50, to be paid off at \$5, a month. A short time alterwards he sold him three more at \$50 each. The machines were that taken away and Vale was a created, the machines having been stolen.

Research.

away and Vale was arrested, the machines laving been stolen.

Becorder's Caure,

John Foster, carrying a pictul, \$75; G. Drary, forfamire of bomd, set saide, and on pics of guily fined \$5; Santiago Toren, disconlerly, dismissed, Manuel Valles, siruhi, \$5; Walters, discorderly, \$10; Henry Wharten-berg, invaling language, continued; Flores, discorderly, \$10; Henry Wharten-berg, invaling language, continued; Flores, Grank and down, \$5; Hatchinum, drunk and down, \$5; Gambretain, drunk and down, \$5; I, Dowey, drunk and the manuely of the saw wanted for Murder in Common county, Officer Harris, who knew the man, proceeded to his usual hanut at the current of Places and Nueva netects. After walting a short time he naw his max and servated him. He gove his name a Antone Millerad, Harris handed Antone over to Sherif Retto, of Cameron county, who came down here to the him.

as Antone Milriesal. Harris handed Antone over to Sherif Retat, of Cameron county, who came down here to take him. He is charged with killing two men.

The Turner Hall restous Fight.

The Renators and a jury were busy this morning trying the participants in the fractic at George Hilger's salom, on Friday last. Themsa Dunbar, Thomstore Aris, George Hilgers, M. H. Delapin and the taxe Wages bottlers, were each charged with fighting and tried separately. Dunbar, Arts and Delapin were dismissed, but George Hilgers and the Wagner brothers were each fixed \$5. The case eachied onniderable intracet and the court was consider with auditines.

court was consided with auditors.

The committee to award the reporter's price, the Hon. J. Wachder, Hon. J. R. Mason and Hon. T. J. Devine, once this morning to judge Wachder's action, and all there greateness were yeason. They decided that as the reports were voluminous, each annulus of the reports were voluminous, each annulus of the committee should take hister a set of papers, read them carefully, and meet to-morrow to make the sward. The two price silver caps have been placed in the hands of the chairman for presentation to the successful competitors.

THE DOCTORS IN SESSION.

The Texas Medical association met last night in the County court nocus, Dr. Chew presiding.

On the reports of committees being railing Dr. F. Herff persented a desught certificate of death for adequine by the City Council. He thought that the case immerty designed was ton combetomer for present circumstances. If a man disc from deletion remarks, or was shot, it was immetrial what water or eith he nock. It could only be useful in appoint diseases. Dr. King understood that the certificates had been devised by the committee, and approved of by the association. These should be very to the Council and referred to the Basard of Health. Dr. Hadre water the bload of Health to It States watered the loant of Health to take charge of the matter and report to the Grouneri. Dr. King expansed this, so it would, in his organism, the claim of the association a mountility. Dr. Basards water to the association a mountility. Dr. Basards water of the death with. Dr. Hadre's suggestion was adapted and the Secretary was instructed to advise the Board of Health as in the action of the association.

Dr. Christons amonomed that he was prepared to a during health of the secretary was instructed to advise the Board of Health as in the action of the association.

Dr. Christons amonomed that he was prepared to the association of the critical should be dead with. Dr. Hadre's suggestion to the secretary were instructed to advise the Board of Health as in the action in the same of the same cannot be advised that as far as he had at present examined, the waters of the critical should be dead with the water Individually draubility the patients. He stated that as far as he had at present examined, the water of the critical should be an exercised to find it. Dr. Typer allowed the two decades of the association to return to be old farm of reading escaps at each meeting. The present of the following exercises for the next meeting: Subject for discussion. Recurrent fewers, essayint, 17c. F. Harif. The meeting them adjusted.
